Only listed products are eligible for the Global Saver™ program. Orders that vary from the Global Saver program will be subject to standard pricing & timeline and should be discussed with your sales manager. No other promotions or models are valid with the Global Saver program. Lead time is 15 business days or less after virtual proof has been confirmed to ship date to 1 US address. Rush orders are not available. Products are shipped with bulk packaging with no accessories unless otherwise stated. FOB will be domestic or international, to be determined by KTI Promo. As this may be an international shipment, you agree to provide additional information if needed. Pricing is updated weekly on Monday and valid until the following Friday. Please read full program details at www.ktipromo.com/globalsaver.aspx.
